Greetings from Lutherans For Life,

I am writing to encourage you to join us as an exhibitor at the 2011 National Lutherans For Life Conference, August 5-6, in Irving, Texas. The theme is ***Adopted in Christ***.

Our theme will focus on helping participants grow in their understanding of what it means to be ***Adopted in Christ*** and how this action of our heavenly Father affects our relationships with one another and the manner in which we deal with life issues in our congregations.

This year's keynote speaker is Russell Moore, author of the book *Adopted for Life: The Priority of Adoption for Christian Families and Churches*. Workshop topics will cover embryo adoption, foreign adoption, pastors and politics, foster care, and will include a panel with a birth mother, adoptive parent, and adopted child. Workshop speakers are Dr. Kurt Senske, CEO of Lutheran Social Services of the South; Dr. James I. Lamb, executive director of Lutherans For Life; Janette Clausen, director of pregnancy counseling and adoptions with Lutheran Family Service of Iowa; Lowell Highby, director of communications for Lutherans For Life; and Col. John Eidsmoe, professor of law at the Oak Brook College of Law.

The conference has secured permission to show the movie *Bella!*

Christian singer-songwriter Heather Ruesch, from Brainerd, Minnesota, is excited to bring a musical component to our conference. Heather has her own "Bella" story. (Check it out at the 2011 LFL Conference page: www.lutheransforlife.org/conference/2011-national-conference/.)

First-time offer: Exhibitors who also register for the conference can have a free 1/2-page Witness Message in the Conference Witness Book. Attached is a Witness Book Sponsorship Form. (Note: a Witness Book Sponsorship Message can have contact info, etc., but cannot have a "call to action," such as "Call Now!" or descriptive language, such as, "we offer the best...")

You can find out more about our conference, and register online, at www.lutheransforlife.org.

Please fill out and submit the enclosed (or attached) Exhibitor Application.

Note: General Information is on the Exhibitor Application.

We look forward to seeing you in Texas!
