- **New Speakers Bureau Member:** One of our new Life Team leaders, Patti Smith, of Westminster Lutheran Church of Hope in Westminster, California, attended the LCMS Life Ministries Conference in Washington D. C. and participated in the March for Life. Patti has recently joined our LFL Speakers Bureau and is an active volunteer leader in the life affirming ministries of her congregation. Patti is also a member of Choice4Life, a group of rape-conceived men and women who speak out on behalf of life. Patti spoke at her church on Life Sunday to highlight the ministry work of LFL and to talk about “Issues of the Heart,” (inspired by our Life Sunday “Matters of the Heart” theme). We thank Patti for her bold witness and for being a Gospel-motivated Voice For Life.
- **Everyone at Lutherans For Life is very thankful for all the excellent help we had on December 30, 2014, in moving to our newly remodeled offices in Nevada, Iowa!** The volunteers went “above and beyond”! We are also thankful that we had the use of the facilities of the former Clemons Lutheran School in Clemons, Iowa, during the remodeling. Our new address is 1101 5th Street, Nevada, IA 50201-1816. (Membership and other contributions can continue to be sent to PO Box 76, Garden City, IA 50102-0076.)

Here is a little background on the move from Dr. Lamb (taken from his August 2014 Sponsor Letter):

“I’m sure you know all the jokes about Lutherans and change. So I will not belabor those ‘light bulb’ quips. However, change is happening at Lutherans For Life. We sold our office building and will be moving to a new office ... We will still be located in Nevada, Iowa. The change came about because of stewardship concerns. The former 6700 square foot building served us well when we housed our own inventory and did our own order fulfillment. But, as you know, Concordia Publishing House (www.cph.org) has been doing that for us for a number of years. Also, more of our staff works remotely from Illinois, Minnesota, Missouri, and Texas, reducing the need for local office space. Add to this the three acres of property we maintained, and I think you will see the wisdom of downsizing ... We, too, must do renovation to the building we purchased in downtown Nevada. Laborers for Christ will be helping with this.”

The Basics of Lutherans For Life

Our Mission: Equipping Lutherans to be Gospel-motivated voices For Life.

Our Vision: Every Lutheran congregation upholding the God-given value of human life and influencing society to do the same.

Structure and Relationships

A local chapter is a local organization that has been chartered by National Lutherans For Life. The chapter is formally associated with and subject to, but not a part of, the corporation known as Lutherans For Life, Inc.

A state federation is an organization that has been chartered by Lutherans For Life, Inc. in a state where there are at least five chartered chapters. In a state where a state federation exists, the chapters also become affiliated with the state federation. This occurs automatically at the same time a chapter becomes chartered by Lutherans For Life, Inc. These relationships are basically the same whether or not the chapter is incorporated. Thus, Lutherans For Life consists of a network of individual entities formally associated with each other.

Membership Information

All officers of State Federations and Chapters and Life Ministry Coordinators must be members in good standing of Lutheran congregations and members of National Lutherans For Life.

Membership contributions are divided among the national organization, state federation, and local chapter if it is chartered.

Chapters that wish to include a membership form in newsletters or correspondence are asked to maintain the form and information provided by the national office.

The local chapter may not establish its own membership program since LFL has a “unified membership” program. When sending a membership form to the national office, make sure the chapter name and number, if chartered, is written on the form in the space provided. This will assure that the state federation and local chapter receive the proper remittance payment.

Membership Classifications

Annual Membership

- Annual members join by making a membership donation accompanied by a completed copy of the membership form (or by joining online).
- Annual memberships run from July 1 through June 30. New memberships will expire on June 30 of the year following the initial membership donation.
- An annual membership drive will begin in May of each year. Current members will receive renewal information at that time. The membership drive will also encourage new memberships, although they will be accepted at any time of the year.

Sponsor Membership

- Sponsor members pledge to contribute a certain amount each month and to pray regularly for Lutherans For Life.
- Sponsor members receive a monthly letter from the executive director.
- Sponsor members are asked to renew their monthly pledge each year as part of the annual membership drive.

The Remittance Program of LFL

All MEMBERSHIP donations are shared with the chartered state federation and/or local chapter to which the particular members may belong. The membership donations are divided as follows:

Annual Memberships:

- 20% goes to the local chapter (If there is no local chapter, this 20% goes to the state federation.)
- 20% goes to the state federation
- 60% remains at national

Sponsor Memberships:

- 1/12 goes to the local chapter (If there is no local chapter, this 1/12 goes to the state federation.)
- 1/12 goes to the state federation
- 10/12 remains at national

Speak Up For Life

by Rev. Dr. James I. Lamb

To help elementary school children understand Lutherans For Life (LFL), I tell them all they need to know is our middle name—For! We are a positive **For** Life ministry, AND the reason we are **For** Life is because **God is For Life!**

That's what we always need to keep in mind when we **Speak Up For Life.**

The Message We Speak

The following is undoubtedly review for many, but look up the following passages and answer the question, “What has God done that gives value to every human life?”

Psalm 139:13-14 –

1 John 2:2 –

1 Timothy 2:4 –

This Triune Truth that God gives value to life because He created every life, redeemed every life, and desires to call every life into eternity is the foundation of our message.

To Whom Do We Speak?

Read Acts 17:1-4. Even though he was the Apostle to the Gentiles, whenever Paul could, he visited synagogues. He desperately wanted his fellow Jews to know Jesus as their Messiah.

What was Paul's approach to show Jesus was the Christ when dealing with his fellow Jews? (v. 2)

Discuss how this relates to LFL's number one target group (Lutheran churches). In other words, what is our approach in the church?

Now read Acts 17:19-34. Discuss the following:

What was different about this setting from the synagogue in Thessalonica?

Does Paul ever quote a Bible verse?

Whom does he quote?

Does he proclaim Biblical truths?

Notice that he gets to the same place he does in the synagogue in Thessalonica, Jesus risen from the dead. (Cf. 17:3-4 and 17:31)

Directions • Lutherans For Life • Bible Study

Discuss how this relates to another group that needs the For Life message—our culture.

The Manner of our Speaking

We speak to the church about the God-given value of life starting with the truths of Scripture. We speak to the culture about the God-given value of life starting where they are and leading them to Biblical truths when possible.

In both cases, however, what is our manner?

Ephesians 4:15 –

1 Peter 3:8-10 –

How Do We Speak?

Speaking up for life can be done in a number of ways. Not all of them involve actual talking! Discuss how the following can be used to Speak Up For Life.

Prayer – What can we be praying for? Whom can we be praying for?

Compassion – What are some ways we can speak for life through acts of compassion?

Activism – Why not join an event like a Life Chain, prayer vigil, peaceful, protest, etc?

Political – How do we vote? Which candidates and referendums do we support?

Education – How can we teach those in our church and our culture?

Organizing – Why not form a chapter and/or Life Team in your congregation?

Witness – How can we use life issues as an opportunity to be a Christian witness?

Others?? –

Speak Out For Life!

by Lori Trinche, Mission and Ministry Coordinator

I am reminded daily of our mission to equip Lutherans to be Gospel-motivated voices For Life. Sometimes in the busyness of life, our voices fall silent and we lose our saltiness in our calling to be salt and light to the world. As Dietrich Bonhoeffer said, “Silence in the face of evil, is evil itself.”

January 22 marked the 42nd anniversary of the *Roe vs. Wade* decision, which effectively legalized abortion in the United States. On that day, this year, there was supposed to have been a vote in the House of Representatives to ban abortions after twenty weeks of pregnancy because unborn children feel intense pain in abortions. In an interview with Life News, the bill’s sponsor shared that “Each year more than 18,000 ‘very late term’ abortions are performed on perfectly healthy unborn babies in America. These are innocent and defenseless children who cannot only feel pain, but who can also survive outside of the womb in most cases, and who are torturously killed without even basic anesthesia. Many of them cry and scream as they die, but because it is amniotic fluid going over their vocal cords instead of air, we don’t hear them.” Please stop and think about this for a moment and let it sink in deeply to your heart. Pray that this bill would come up for a vote, pass, and move on for a vote in the senate.

Also, on January 22, the national March for Life brought approximately 600,000 individuals from all over the country to Washington D. C. to be a Voice For Life. There were marches and other life-affirming events all over the country to mark this anniversary. Do not miss an opportunity to host one, sponsor one, attend one, or pray for one or all of these events to speak loudly and boldly in love for the unborn. Here are a couple recent March for Life related quotes I would like to share with you:

At the Chicago March for Life, on January 18, Archbishop Blasé Cupich said, “It’s important for all of us to remember why we are here. We need to bring to attention that there are those literally struggling to come into the world. We can’t sit still. We have to march.”

Renee Reimer, our new Life Team Leader at Redeemer Lutheran Church, Highland, Indiana, also came to the Chicago March for Life. She said, “it was a joyful event and I was glad to be part of it!”

Project Ideas

- Sponsor or participate in a local or national life-affirming event. See the calendar listings at <http://calendarforlife.org> for events near you! *Also see: www.lutheransforlife.org/about/calendar.*
- Announce a special “Love Event” in honor of Valentine’s Day in February to gather gifts for a baby shower for moms in need, a foster home for children, or a nursing home for the elderly or disabled.

A Setback from Thrivent Financial

by John Hawkins, Director of Development

As a supporter of Lutherans For Life, you may be aware that the ministry suffered a setback earlier this year when Thrivent Financial decided it would no longer include LFL on its “approved” list of organizations which may receive support directed from its members, chapters, employee matching, etc. This is per a new policy that the fraternal organization has a “neutral” position on life issues. The result is that LFL had to make up funding well into five figures through December 31 and then annually beyond.

To help accomplish this, LFL is asking congregations if they will conduct a special freewill or plate offering for Lutherans For Life. Additionally, we hope individuals and households might likewise be able to make an added or special gift.

Owen's Mission – Little Babies Making a Big Difference

by Rev. Dr. James I. Lamb

“My frame was not hidden from you when I was being made in secret” (Psalm 139:15).

Many of you know the effect that the *Touch of Life* fetal models have on students of all ages. From preschoolers to seminarians, they give visual and tactile reality to God's handiwork in that “secret place” of the womb. The impact of that reality stays with them and can inform future decisions and choices. A Lutheran school teacher shared with me the impact seeing these babies had on her when she was in elementary school. Later on she was able to help a friend dealing with an unplanned pregnancy see and understand the reality of her unborn baby.

Wouldn't it be great if we could place a set of these models in every Lutheran school in the country? Wouldn't it be great if we could touch the lives of over 137,000 students? Yes, it would! And we will!

That is the goal of Owen's Mission. Our 21-week-old grandson, Owen James, who died during fetal surgery to remove a large tumor, inspired Owen's Mission. The nurse brought little Owen's body to our son and me as we waited in the recovery room for Owen's mom, Heather. Owen was wrapped in a little blanket and had one of those little stocking caps on his head. Holding Owen in my hand affected me profoundly. I had held the twenty-week fetal model in that same hand hundreds of times over the years. I had grown numb to the reality of what the model represents. Owen brought me back to that reality and the urgent need to help others see it as well. Owen's Mission desires to honor the Lord of Life by presenting these models to every Lutheran elementary and high school in the country. That's a big project! Would you like to help? Here are some ways to do so.

- Pray that the Lord will bless this mission with His mighty power and provide the people and financial resources needed.
- Pray that God's Holy Spirit will be at work through these models in classrooms around the country.
- Give personally to this mission. Our financial goal is \$175,000.
- Conduct a fundraiser in your area.
- Volunteer to be a presenter to schools in your area. We have a DVD and guidelines for its use to make this as easy as possible. If interested, contact your state federation president or regional director. If you are not in a state that has these or you are just not sure, contact us at 888.364.LIFE or info@lutheransforlife.org
- Use the flyer we have included to promote Owen's Mission.

Thank you for all that you do to help equip Lutherans to be Gospel-motivated voices For Life! Owen's Mission will provide yet another avenue to do so.

May the Lord of Life continue to bless your service to Him through Lutherans For Life.

Owen's Mission Update

To review: The goal of Owen's Mission is to present a set of *Touch of Life* fetal models into every Lutheran elementary and high school in the country. (You can learn more about Owen's Mission online at www.lutheransforlife.org/owens-mission.)

The financial goal to make this happen is \$175,000. To date we have received \$46,496. As you can see, we have a long way to go. Thanks to those who have already raised some funds and supported this. Clearly this will be an ongoing project, so please keep it on your radar. Things you can do:

- Pray for this project.
- Have a fundraiser for Owen's Mission in your area.
- Make your church and/or school aware of this mission.
- Have a special offering on Life Sunday or other time for Owen's Mission.
- Do you know folks who have lost children or grandchildren through miscarriage or stillbirth? Perhaps they would want to support Owen's Mission as a memorial.
- Do you know people with "deep pockets" who may have a heart for such a mission? Tell them about it!
- Think "out of the box"! Send us your ideas!

Remember, these models will not merely be sent to the schools. We want them presented. Right now we are working through our state presidents and regional directors to organize these presentations. We have a DVD and a presenter's guide that can help just about anyone present these models. If you have Lutheran schools in your area and are interested in presenting, please contact your state president or regional director. If you do not have one or do not know who that might be, contact Kim Nessa at knessa@lutheransforlife.org, and she will help coordinate your efforts.

Thanks for ALL you do!

Owen's Mission

**"A PERSON'S
A PERSON,
NO MATTER
HOW SMALL"
-DR. SEUSS**

Horton the elephant was right! The Bible agrees! In fact, the Bible says more: A person's a person created by God (Psalm 139:13-14), a person redeemed by Jesus (Galatians 3:13), and a person the Holy Spirit wants to call to be His child (1 Timothy 2:4), **no matter how small!**

Owen's Mission is a very special project of Lutherans For Life. The goal of this project is to honor Jesus by presenting a set of *Touch of Life* fetal models to every Lutheran elementary and high school in the country. (That's 1078 schools affecting 139,000 students!) We want students to understand the God-given value of each life from the moment of conception. We want students to be motivated by what God has done as our Creator, Redeemer, and Sanctifier that gives value to life. We want students to value themselves and to value others as persons because of this God-given value.

Where did Owen's Mission come from? From a very small and special baby named Owen. Rev. Dr. James I. Lamb, Executive Director of Lutherans For Life, shares his story:

"I held my little grandson, Owen, in the palm of my hand. He died at twenty-one weeks during pre-natal surgery to remove a large tumor. The nurse brought him to our son as we waited in the recovery room for Owen's mother. I find it difficult to describe what I felt when I was able to hold him. I had held the twenty-week *Touch of Life* fetal model in my hands hundreds of times in front of students from preschoolers to seminarians. Holding Owen revived in me the reality behind those models. I will never hold them in the same way again."

As Owen's grandpa, Dr. Lamb wanted to do something special to remember Owen, honor Jesus, and help others understand the value God gives to even the smallest of lives. With the help of Owen's family, *Owen's Mission* was born. We are training facilitators to present these fetal model sets along with a DVD message from Dr. Lamb.

Our Goal: \$175,000
