

The invisible are indispensable.

Host a celebration of LIFE after church; perhaps include a cookout, ice cream sundaes, music, and games.

Sponsor a clothing or toy drive for a shelter house that serves women and children in need. Make it a competition between different age groups, and celebrate the winners with a church pizza party!

Create computer-generated or handmade Valentine's cards for each family at your church. Write a life-affirming note inside and place them in church mailboxes or send via email!

Celebration!
