The invisible are
INDISPENSABLE.

**POST A LIST
OF 4 LIFE
BOOKS WITH A
SHORT REVIEW
OF EACH.**

**Bring in a guest speaker about today's
topics: human trafficking, refugees, prison
ministry, homelessness, care for shut-ins.**

**Post today's
fact sheet
on your
school's
campus.**

Set up a panel discussion on the dignity of human life across multiple areas of need. For example, ask a person who works with the homeless, another who serves shut-ins, and another who engages in prison ministry to discuss how they uphold life and confess that every life is valuable.
