

# The invisible are **INDISPENSABLE.**

**Post today's fact sheet at church and send it to members with email.**

**POST A LIST OF 4 LIFE BOOKS WITH A SHORT REVIEW OF EACH.**

**Bring in a guest speaker about today's topics: human trafficking, refugees, prison ministry, homelessness, care for shut-ins.**

Set up a panel discussion on the dignity of human life across multiple areas of need. For example, ask a person who works with the homeless, another who serves shut-ins, and another who engages in prison ministry to discuss how they uphold life and confess that every life is valuable.
