

MARRIAGE & FAMILY ARE INDISPENSABLE.

Honor family reunions during holidays by introducing guests during or after church services.

Sponsor a "Celebrate LIFE" walk at your church; encourage people of all stages of life and families of all sizes to participate. Make sure the course is accessible to those with physical limitations or disabilities.

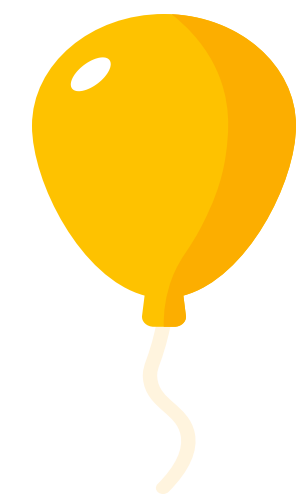

Welcome a foster child or newly adopted child to your church. Throw a get-to-know you party to introduce him/her to others in the congregation. Make the party a shower, bringing gifts to help the family provide for their new addition!

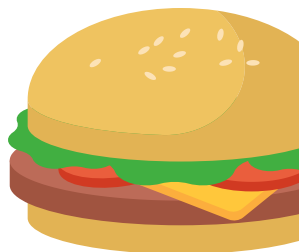

Host an annual birthday party for all babies born in the church each year. Provide food and drink, and invite all members of the congregation.

Sponsor a father/daughter, mother/son, or a grandparent/grandchild event.

Celebrate baptisms and baptismal birthdays in church announcements or on a bulletin board.

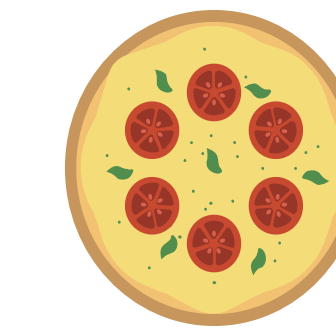

Host a grandparent and grandchild luncheon.

Post pictures of families. Add new members to a church "family tree" as they join.

Celebrate the anniversaries of married couples through prayers, flowers, or a special gift.

Celebrate the gift of large families. Create space and support for them by providing babysitters, offering to sit with young children during services, speak well of the gift of a large family.

Celebration!
