

The Unborn Are Indispensable!

Pray and sing hymns outside of an abortion clinic. Be sure to engage women seeking an abortion with the 4 Life message!

Plan a Life Chapel. Create an activity that coincides with the chapel, a collection for a pregnancy center or a diaper drive.

Pray for families experiencing a miscarriage or a stillborn child.

Pray publicly for those who are pregnant, those considering an abortion, and for unborn children everywhere.

Write life-affirming devotions; host a gathering for devotions and prayer once a month.
