A letter sent by the U.S. Food and Drug Administration (FDA) to the pro-abortion American College of Obstetrics and Gynecology (ACOG) indicates that the agency plans to “exercise enforcement discretion” in the dispensing of the abortion pill by mail during the COVID-19 pandemic. In other words, the FDA intends to continue to allow the distribution of these dangerous abortion drugs by mail for the duration of the pandemic. The decision follows ongoing litigation filed by ACOG against the FDA asserting that requiring mifepristone (the abortion pill) to be dispensed to abortion clients in person during the COVID-19 pandemic is an undue burden. Under FDA’s REMS (Risk Evaluation and Mitigation Strategy), the abortion pill mifepristone (used in a regimen with misoprostol) must be dispensed by a certified prescriber at an approved hospital or clinic and is prohibited from being sold online or in a pharmacy. Speaking up For Life

“Moms embody grace. God gives each of us an immediate friend and automatic defender even before birth. This He does—and so does she—without our earning or deserving it. As much as daughters and sons bring His blessings to their parents, so much also do mothers mediate His mercies to their little ones.” *Rev. Michael W. Salemink, LFL Executive Director of Mission and Ministry*

“Ascension Day, a holy day falling inconspicuously on a Thursday in May, is the conspicuous declaration that we are not left as orphans. In the same post-resurrection body that He invited Thomas to touch, Jesus invites us to full humanity even today. He ascended with a body, He shares in our humanity, extending His own body even now, promising to return for our own bodies. Christ is preparing a room for us, and we can know it is real because He Himself is real.” *Jill Carattini*

“It was many long years before Elizabeth had the joy of seeing, in her own body, that God had not forgotten her. ‘He looked on me,’ she said. The proof was the baby growing inside her, though she was an old woman by that time ... God has looked on us, too. The proof is the baby growing inside of Mary—God’s own dear Son Jesus, Who came to be your Savior. In Jesus, you can see that God has remembered you. He has looked on you with love—He has even made you His own child. You are not forgotten. You are beloved.” *Dr. Kari Vo, Lutheran Hour Ministries*
