Dr. Kim Marxhausen is a Lutheran educator with a doctorate in Educational Psychology. She has authored three books, and she writes the Parent Pages newsletter for LCMS School Ministry as well as a parenting and devotional blog. She will present "**God Chose You: The Caregiver's Journey**" based on her personal experience as a caregiver for two loved ones with dementia that provided the inspiration for her book, *Weary Joy*.

Rev. B. Keith Haney is Assistant to the President for Missions, Human Care, and Stewardship for the Iowa West District of the LCMS. He has served multiple congregations in the Northern Illinois District. He writes a blog to encourage believers in their faith journey and non-believers to explore difficult faith issues. He will speak on the "**Critical Race Theory**" and how it relates to our Christian witness.

Dr. Donna Harrison is a board-certified obstetrician and gynecologist currently serving as Executive Director of the American Association of Pro-life Obstetricians and Gynecologists (AAPLOG). She will speak on "**Over the Counter Abortion.**" The end game for the abortion industry is to make every woman her own abortionist. This is close to happening. What does OTC abortion mean for us?
