LFL National Essay Contest Winners

Each year the LFL Council of Federation Presidents sponsors a national essay contest for students in two categories. One category includes students in grades 6-8 and the other in grades 9-12. Students in the Federation states and all other Non-Federation states are eligible to participate. After all of the states have submitted their winners, a national committee selects one winner to be the National Essay winner in each category. This year both winners came from Texas as well as the same family, the first time this has happened. The essay contest rules for 2022 will be published shortly. You will find them on the State Federation webpage on the LFL website. For a student to qualify, they must either belong to a Lutheran church or attend a Lutheran school.

Her book, *Weary Joy*, can be found on cph.org. Caring for a loved one is full of harsh realities—and unexpected joys. Caregivers often live in the shadow of their loved one's needs with little time for themselves. They may feel isolated, lonely, and exhausted—and their own needs are left unmet. *Weary Joy* assures caregivers that they are not alone. The stories, explanations, tips, and devotional connections remind caregivers that they walk this journey with others and with God.
