Good news ... Abortion clinics are closing at an “alarming rate,” according to the Abortion Care Network (ACN), a membership organization of independent abortion providers. In the organization’s most recently published report for 2021, ACN claims that 113 so-called “independent” abortion facilities (excluding Planned Parenthood facilities, hospitals, and physician offices) have closed since 2016. In addition, as of November of this year, ACN claims 20 independent abortion clinics (IACs) have been shuttered, an increase from the 14 closures in 2020. Since 2012, independent clinics in the U.S. have decreased by 30 percent, the ACN claimed. “When Abortion Care Network started tracking clinic closures in 2012, we had identified 510 independent abortion clinics open in the U.S. As of November 2021, ACN identified 358 open independent clinics,” ACN wrote. “Since 2016, Abortion Care Network has identified 113 independent abortion clinic closures,” they added. “Twenty-two independent clinics closed in 2016; 17 closed in 2017; 13 closed in 2018; 27 closed in 2019; 14 closed in 2020. As of November 2021, we have confirmed 20 independent clinic closures in 2021,” the report also states. (*Live Action News*, 11/19/21; *CLR LifeWire*, 11/23/21)

Speaking up For Life

“This Christmas, let us continue to pray for mothers who are afraid and aren’t sure where to turn when they discover they are unexpectedly pregnant. Let us pray that, like Mary, they may find the courage to bring life into the world.” *Right to Life of Michigan*

“Will you be without loved ones this holiday season? Will you be struggling with illness or discouragement? Will you feel the pressure to make the holiday season great? You are not alone. You are not on your own. Read John 10, a great chapter about a Good Shepherd. Listen to His voice comfort and strengthen you.” *Rev. John Boeder, Martin Luther College*

“The slaughter of the innocents continues in our time ... done not out of anger, but because the arrival of these little ones is deemed inconvenient or too expensive or sometimes simply because they are not the ‘right’ sex. We, like Rachel, weep over our lost children. But mourning their loss does not mean that we do not fight to end this assault on the sanctity of life. The holy birth of our Savior Jesus Christ, which has transformed the world for the good in so many ways, gives us hope that abortion, too, can be ended.” *Steven Mosher, Population Research Institute*
