

Life Week: Tailored for YOU

Life Week 2022 is FULL of information, ideas, and opportunities for you and your Life Team! Ranging from educational opportunities connected to a variety of life issues to tangible ways you can put your passion for life into practice, Life Week 2022 is a resource you and your team can use in a variety of ways.

Below you'll find just a few ideas for using Life Week 2022 in your church or school. Remember, you can find all of our resources at Lutherans For Life, on the Life Week 2022 webpage on our website. (Click [HERE](#) for a direct link.) We hope our ideas will inspire you to come up with even more!

Host a Life Night: At your church or school, create an event that coincides with one of our live Life Week 2022 presentations. (Presentations run each evening from January 16-19 at 8 P.M. E.T. Check out our website for Zoom codes!)

- Post the Life Week 2022 Fact Sheet connected to the day's topic. Take time to discuss not only the facts leading up to tonight's event, but also our Christian response with those gathered.
- Take one idea from one of the activity sheets connected to the day's theme and complete one activity during your Life Night celebration.
- As you advertise your event, use our Life Week 2022 advertising image for the day, highlighting the theme for the educational activity and your event.

Plan a Life Month: Using four of LFL's Life Week 2022 Activity Sheets, focus on a different life issue for each week of the month.

- Find ways to match the color theme each week; perhaps even award prizes to those who wear the color of the week!
- Using ideas from the activity sheets, host a variety of activities throughout the week on different nights.
- Be sure to include different age groups! Which activity might be best for each group you serve?
- Try to vary the types of activities you offer. Educational events are wonderful, but be sure to offer opportunities for service, celebration, and worship as well!
- If groups are prevented from gathering, encourage individuals to do an activity at home and share their experience at Bible study, Sunday School, or through an on-line gathering opportunity.

Make 2022 a Year Full of LIFE: Chose one of the daily themes (God chose YOU...) and focus on it for an entire month.

- Each week, you have the option of highlighting a different life issue connected to your monthly theme. (Each life issue has a Life Week 2022 Activity Sheet designated for it.)
- Ask your pastor or chaplain to pray for the life issues you'll be covering.

- Design a bulletin board at the beginning of each month that focuses on the theme and lists each life issue that will be covered.
- Engage individuals in service projects and educational events throughout the month that connect to the life issues you plan to cover.
- Encourage different groups to sign up for different events or combine groups to create new partnerships over time. (Be sure to include grade schools and high schools, Sunday schools, confirmation classes, youth groups, and adult Bible study groups!) Then have each group share their experience through testimonials, articles, or videos.
- Life Week 2022 only has seven days. What should you fill the remaining five months with? Here are some ideas:
 - Host a local March For Life (Check out the LFL scarves for purchase at lutheransforlife.org.)
 - Many months have more than four fact sheets. Choose another life issue to cover from the Life Week 2022 Activity Sheets that remain.
 - Attend/participate in a life-affirming conference or retreat.
 - Focus on affirming life through your vocations.
 - Use Life Week 2021 materials, archived on LFL's website, for even more ideas!

However you choose to use LFL's Life Week 2022 materials, we hope they will be a blessing to you and your congregation. Please let us know how we can help you uphold life now and in the future!
