John 15:16a

Facts of Life

Race

The 2020 census recorded increased rates of diversity such that 40% of Americans identify as one or more racial and ethnic groups.

Political Action

Compared to other religious groups, only evangelical protestants did not identify coronavirus among their top three issues, and they are the only group in which a majority (63%) say abortion is a critical issue.

Speaking in Love

Evangelicals are the most likely group of churchgoers to say they have heard of the Great Commission (60%), and 74% correctly identify it among other Scripture verses compared to 49% and 37% of total U.S. churchgoers, respectively.

Communion of Saints

Among those who previously attended religious services at least monthly, only 42% reported attending services within the past month in March 2021, which was slightly up from the 33% attending within the last month in July 2020.

His Word

"Finally, brothers, rejoice. Aim for restoration, comfort one another, agree with one another, live in peace; and the God of love and peace will be with you."
2 Corinthians 13:11

Our Christian Response

One Family

We treat all Christians, from every tribe and language and people and nation, as one body in Christ.

Gospel-motivated Voices

We despise the sin and love the sinner by upholding - maintaining, affirming, and defending against opposition or challenge - the truth of God's Word with loving kindness.

Community

When Christians participate in holy things (e.g., Lord's Supper), we fellowship in Christ Jesus with all true believers, the living and the dead.
