

How do I sign up for a virtual race?

1. From the event home page, click on any of the “Register” buttons to get started.

2. If you are joining a Charity Footprints virtual race for the first time, you will need to sign up as a user on the site by creating an account. If you are a returning participant, you can directly log in to your existing account using the registered email and password.

* Are you a returning participant but forgot your password? Click on [this link](#) to reset it.

Congratulations!
Your payment of \$133.68 has been processed.

- 4. Congratulations, you are now registered for the race! There are still a few more steps to set up your fundraising page before you get started.**
- 5. Each team member you paid the registration fee for will need to be registered with their own email and password. This can be set up in the next step, or you can add this information later by logging into your CharityFootprints.com/stepupforlife account. (The dropdown menu on the right side of page has a login option). Once logged in you can select the dropdown menu and "MY FAMILY" to enter the registration information for the paid team members.**
- 6. Set your fundraising goal and customize your "Appeal to Potential Donors". Your fundraising goal would default to the amount that the administrators of the race have decided, but you can edit your goals if you'd like. Customize your "Appeal to Potential Donors" and talk about why you are participating in the event and raising money for the cause.**

Click “Next” to continue or skip this step (you can always customize your fundraising goal and appeal at a later time).
