Despite false claims that pro-life pregnancy resource centers (PRCs) are “fake clinics,” PRCs have saved over 800,000 lives from the violence of abortion in just the past five recorded years (2016-2020). This information comes from a report entitled “Saved Impact at U.S. Pregnancy Help Centers,” published by the Charlotte Lozier Institute (CLI). ... According to CLI, the “lives saved measurement is specifically defined as the total number of pregnant women assessed as being at-risk for abortion who choose to carry and give birth to their child (or children, in the case of twins and multiples, whereby several lives are counted) after visiting a PHC.” The information is contained in a de-identified dataset, they noted. CLI defined abortion-minded (AM) versus abortion-vulnerable (AV) women as follows: An AV woman “has not eliminated the possibility of abortion; she lacks support from significant influencers; and she is undecided about her pregnancy.” An AM woman “is seeking information on how to obtain an abortion; she has an abortion scheduled; and an abortion procedure has been initiated (such as the introduction of laminaria, or ingestion of the first pill, Mifeprex, in chemical abortion).” In total, CLI says pregnancy centers have saved 828,131 lives in the U.S. (2016-2020). Speaking up For Life

“Let us recognize that the patterns of the past point not only to our need for a Savior, but also to the work Christ has accomplished for us. Let us live as For Life people, confident that our future is founded on promises that will be kept. And let us rejoice in the opportunities we have to share the message of LIFE with others!” *Michelle Bauman, Director of Y4Life for Lutherans For Life*

“God shows us what it is to love every single day. Even the grace He gives us to change people’s hearts toward Him is an outpouring of His love. Let us love like Christ and sacrifice our time to save His unborn children. Let us show mothers who have had or are thinking of having an abortion the love that has been so beautifully bestowed upon us by our Father.” *Christina Hogan, Southampton Students for Life (UK)*

“Our youth are a gift of God—our future voice and our For Life voice, now! Take a moment and read Titus 2 and ponder Paul’s teaching in light of Proverbs 1:5: ‘Let the wise hear and increase in learning, and the one who understands obtain guidance.’ Then invite, encourage, and mentor youth in your circle today.” *Rev. Jeff Duncan, Assistant Director of Volunteer Relations for Lutherans For Life*
