His Word

Romans 9:8

"This means that it is not the children of the flesh who are the children of God, but the children of the promise are counted as offspring."

Our Christian Response

By God, adoption is meant (for Christians) and means (for Christian parents) that we suffer now and experience glory later.

Christians who adopt are choosing to live a life that demonstrates the love and humility of the Gospel.

Snowflake adoption saves a child from being destroyed or from being donated to science.
