Abortion pills took the lives of nearly 500,000 preborn babies in 2020, while sales from the deadly pill regimen made up an astounding 53% of nationally reported abortion numbers, according to updated data published by Guttmacher Institute researchers. The report entitled, “Abortion Incidence and Service Availability in the United States, 2020,” also found that between 2017 and 2020, the share of “medication abortions” increased for all facility types. Numbers published by the FDA through June of 2021 reveal that the abortion pill has ended the lives of nearly five million preborn human beings since its approval in 2000 ... Abortion reporting data is not required by federal law; therefore, the CDC relies solely on data from the states that individually require abortion reporting. Guttmacher gathers information differently, relying on responses to surveys it sends to abortionists; those overall numbers tend to be more comprehensive. “There were 492,210 medication abortions in 2020, a 45% increase from 2017,” Guttmacher Institute researchers wrote in a report published on November 20. “Medication abortion accounted for the majority of all abortions in 2020 (53%), compared to 39% in 2017,” noted authors Rachel K. Jones, Marielle Kirstein, and Jesse Philbin ... Guttmacher’s percent of national abortion pill numbers was slightly higher than what was reported by the CDC. Speaking up For Life

“Friend of Jesus, no matter what painful or wonderful endings you marked in the past year, please watch for the early signs of new beginnings. Seize them as opportunities for you and God to develop together. Think about what the Bible teaches about life, appreciate God’s love for you, gather up bits and pieces of experience, and put them in a file named ‘Lessons Learned.’ Then keep it handy.” *Jason Nelson, Time of Grace*

“[E]very human life, no matter the size, level of development, environment, or degree of dependency, is indispensable in fulfilling God’s plans.” *Lynette Auch, former President of Lutherans For Life*

“You are not and never have been simply a number, a blob of tissue, or an invisible nobody. Rather, you are now and always have been God’s handcrafted gift to the world.” *Michelle Bauman, Director of Y4Life*

“The Lord called all things into being, from the greatest to the least, with His mighty mere Word. But He formed the human bodies with His own fingers and His very breath. He lovingly, intimately, and meticulously knits us together in our mothers’ wombs.” *Pastor Michael Salemink, Executive Director of Lutherans For Life*

Since 1973: 63,459,781 abortions in America
