The Minnesota legislature approved an Omnibus health bill that repeals a bipartisan measure protecting newborns and a bipartisan program supporting pregnant women who want to carry their babies to term. It also rescinds a number of longstanding laws surrounding abortion. Gov. Tim Walz signed the wide-ranging bill, which the House and Senate passed into law along narrow party lines, into law. “First Gov. Walz and DFL majorities enacted abortion-up-to-birth, a policy at odds with the vast majority of the world,” said MCCL Co-Executive Director Cathy Blaeser. “Now, somehow, they have gone even further. They have revoked a law that requires lifesaving care for newborns. And they have wiped out the Positive Alternatives program that supports pregnant women in difficult circumstances. Babies and women are both harmed by this sweeping extremism.” The Omnibus bill, SF 2995, was largely crafted behind closed doors without input from Republicans on the conference committee. The bill strips out Minnesota’s existing requirement that reasonable measures be taken to “preserve the life and health” of born-alive infants, replacing it with a requirement for “care,” which the bill’s House author, Rep. Tina Liebling (DFL-Rochester), has described as mere “comfort” care. Under the new language, an infant could be denied lifesaving care and allowed to die. Disabled babies, whose lives are often devalued, could be especially at risk from the denial of this basic protection. (*LifeNews.com*, 5/22/23)

Speaking up For Life

“The Lord God loves your neighbors—even the ones that annoy you. He cares so much for them that He sent His Son to die and rise again for them—for all of them. For the thief, the bigot, the liberal, the conservative, the one with the manicured lawn who judges your overgrown lawn, and the one who has let their property become overgrown and run down. He cares for all of them. He cares so much that He called you and He placed you in that neighborhood to seek its welfare.” *Rev. Dr. Jason Broge, guest speaker on The Lutheran Hour*

“God is love. God is relationship. His eternal love supplies the source of every life. He created humankind in this image, for Himself, for relationship, to be loved and to love.” *Pastor Michael Salemink, Lutherans For Life*

“The God who chose to give us life at the moment of fertilization is the same God who chose to rescue us and redeem us and give us salvation. And He did it by sending His Son, Jesus, to experience every stage of human life so we could be forgiven and given life everlasting with Him!” *Rev. Craig Michaelson, Faith Community Lutheran Church, Las Vegas, Nevada*
