The Family Research Council’s Center for a Biblical Worldview recently released the results of a survey conducted in June 2023. Just over one thousand adults who attend a worship service at a Christian church either in person or online at least once a month were surveyed about social and worldview issues, including abortion. Of those surveyed, 71% said they desired their churches to offer additional worldview training on abortion and the value of life, with 44% reporting that this would be very desirable. But views on abortion varied. 36% of respondents indicated they are “pro-life, with some exceptions or limitations,” 27% said they are “pro-life, without exceptions or limitations.” 14% identified as “pro-choice, with some exceptions or limitations,” and 8% claimed to be “pro-choice, without exceptions or limitations.” 5% did not know where they stand on the issue of abortion. Regarding the biblical teaching on abortion, respondents had divergent opinions. According to the survey: The most common view, held by one-third (35%) of churchgoers, is that abortion is not acceptable under any circumstances ... Similarly, regarding the biblical teaching on the beginning of life, 65% of respondents said the Bible identifies when life begins, while 21% said it doesn’t, and another 13% said they were uncertain.

Speaking up For Life

“It is easy to look at others in the world and label them as enemies, especially when they have different political, religious, or ethical beliefs than we do. But, when God looks at those individuals, He wants them to belong to His family, too. A fruit of faith can be to show other individuals, made in God’s image, that they, too, are chosen!” *Marie K. MacPherson, author*

“We may think our prayers are small in relation to the magnitude of the problem of abortion. Not so! ... Educate yourself, your children, and the people you know about Lutherans For Life ... Support leaders who embrace these words, ‘All men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness.’ ... We have the most hopeful message the world has ever heard. You know it. God does big things with small stuff. How can we be so sure? Shiphrah and Puah, Jochebed, Miriam, and Moses ... and especially Jesus.” *Rev. Dr. Reed Lessing, Concordia University, St. Paul, Minnesota*

“I came that they may have life and have it abundantly.” (John 10:10b)

Lutherans For Life has used the *second half* of John 10:10 a lot over the years as a kind of signature verse.

It's a great verse that fits our *mission* well.

The *first half* of the verse fits our *time* particularly well:

“The thief comes only to steal and kill and destroy.” (John 10:10a)

From abortion to assisted suicide to sexual chaos and so-called gender-affirming care, so much of our culture is about destruction and rebellion and narcissism and an escape from reality.

As Christians, we have a better message.

We are For Life!

Abundant Life!
