I have some GREAT NEWS!

Lutherans For Life is holding their annual Step Up 4 Life fundraising campaign, and I'm really excited to be participating in it! Starting on Sunday, May 11, and lasting till Tuesday, June 24, I will be walking For Life!

The reason I'm participating in this wonderful Step Up 4 Life - Walk for Life fundraising opportunity is that I fully support their mission and want to partner with them as they spread the joyful message that every human life is created and gifted by God. Every human life is someone for whom Jesus Christ died, and every human life is someone the Holy Spirit desires to call into an eternal relationship with Him.

Lutherans For Life provides an incredible number of free resources to individuals, couples, families, congregations, and communities. These resources help teach readers and viewers to live and think differently in the face of problems and afflictions.

I fully believe in Lutherans For Life and would love your support in helping me reach my Step Up 4 Life fundraising goal of \_\_\_\_\_! Please consider a donation of \$25, \$50, \$100 or more to sponsor me as I work toward my personal fundraising goal to support Lutherans For Life. You can give that donation to me or contribute on my fundraising page at <https://stepup4life.org/2025>.

Thanks in advance for your partnership and generosity! You are making a difference for Life!

Hi Family and Friends,

I'm emailing you with some exciting news! This year I will once again be participating in the Lutherans For Life Step Up 4 Life fundraising campaign that will take place from May 11 through June 24.

Step Up 4 Life is Lutherans For Life's (LFL's) annual walk for life campaign, and it provides a novel twist to the traditional walk for life. I'll be stepping up for life in a variety of physical ways - through workouts and daily tasks. (I might even try golfing, biking, and swimming!) During my personal walk, I'll also be donating to the campaign. I'd love for YOU to be part of this campaign as well. Would you consider donating to LFL's Step Up 4 Life campaign on my behalf?

The mission of Lutherans For Life is to equip Lutherans and their neighbors to be Gospel-motivated voices for LIFE. LFL applies its Gospel-motivated message to the sanctity of life through life-affirming counseling and support, conferences and seminars, programming for high school and college students, Zoom chats and presentations, and so much more. All of their services are free, and they empower those who hear their message to choose life without feeling trapped by their circumstances.

I fully believe in the mission of Lutherans For Life and would love your assistance in reaching my fundraising goal of \_\_\_\_\_. Please consider a donation of \$25, \$50, \$100 or more to sponsor me on my walk to support God's gift of Life. You can give that donation to me or contribute on my fundraising page at <https://stepup4life.org/2025>. Thanks for your support!
