

Fearfully and Wonderfully Made

For a Forever Family

Life Issues

About 60% . . .

... of foster children spend two to five years in the foster care system before being adopted.

50,193 children

were adopted from foster care in 2023. The number of children in foster care was 343,077.

Mental Health & Adoption

- **Research shows that adoptees are at higher risk for depression, PTSD, ADHD, and feelings of social isolation.**
- **Uncertainty of family, identity, heritage, or culture can influence self-esteem issues in adoptees.**

Desire to Adopt

Between one and two million couples are waiting to adopt a child.

His Word

But when the fullness of time had come, God sent forth his Son, born of woman, born under the law, to redeem those who were under the law, so that we might receive adoption as sons.

Galatians 4:4-5, ESV

Christian Response

Connect children and families facing emotional or mental health issues to pastors or deaconesses for counseling.
