Four years after the U.S. Supreme Court overturned *Roe v. Wade* in its *Dobbs v. Jackson Women's Health Organization* decision, 19 states now have laws protecting babies from abortion.

The June 24, 2022, ruling restored to the American people and their elected representatives the authority to enact laws protecting unborn children. "Four years ago, the Supreme Court corrected a grave injustice by overturning *Roe v. Wade*," said Carol Tobias, president of National Right to Life. "For nearly fifty years, *Roe* prevented the American people from protecting unborn children through our elected representatives." Since the *Dobbs* decision, 19 states protect babies from abortions. Thirteen states ban abortion from conception: Alabama, Arkansas, Idaho, Indiana, Kentucky, Louisiana, Mississippi, North Dakota, Oklahoma, South Dakota, Tennessee, Texas, and West Virginia. Four states protect babies at six weeks: Florida, Georgia, Iowa, and South Carolina. Two states protect babies at 12 weeks: Nebraska and North Carolina. Utah and Wyoming are fighting in court to protect babies. "*Dobbs* was not the end of our work—it was the beginning of a new chapter," Tobias said. "Every child deserves protection, and every mother deserves support." (Source/read more: lifeneews.com/2026/06/24/four-years-after-dobbs-19-states-protect-babies-from-abortions)

Speaking up For Life

"As you walk the path of life with your neighbor, learn and celebrate the depth and breadth of the infinite worth of their life—whether they are preborn, homeless, destitute, dying, friend, or foe. Learn, through the trials set before you and the sacrifices you make to improve the life of your neighbor, the awesome worth of life. Life is sacred. Every life matters." *Rev. Robert Mohns, Lutheran Church-Canada*

"Take heart and have hope, God's people! Even though it appears as though we have been abandoned, that our existence here seems innocuous, not making a difference to our communities, we are not those things. God is not done with us yet. He only asks that we remain faithful because He is ALWAYS faithful." *Deaconess Janet Nicol, Word of Hope*

"There is no joy like the joy of welcoming another child into your life. You will marvel anew at how perfectly formed your little one is and how quickly you will fall head over heels in love with him. You will be enchanted with every tiny aspect of her appearance. The color of her hair, the shape of her nose, and the winsomeness of her smile will occasion endless happy debates about from which side of the family (yours, of course) she got that adorable trait." *Steve Mosher, author of "Ten Great Reasons to Have Another Child"*

GOD'S WORD OF LIFE

BY REV. DR. ARIC FENSKE

We learn from the very first lines of Scripture that our God is a God who speaks. In His omnipotence, there are a million ways that God could have created the heavens and the earth. And yet, He chose words as the means to bring the universe into existence. Likewise, God could have chosen any number of ways to reveal Himself to fallen humanity, but He chooses words to make Himself known to us and create faith in our hearts.

As the writer of the letter to the Hebrews put it, in the days of the Old Testament, **"God spoke to our fathers by the prophets,"** but, now in these days of the New Testament, **"He has spoken to us by his Son"** (1:1-2) and through the apostles whom Jesus has sent out into the world to proclaim the Good News.

Everything that we need to know about God, ourselves, and our salvation, God reveals to us through His Word. In fact, Martin Luther would go so far as to say that "God will not deal with us except through His external Word and sacrament" (SA Part III, Art. VIII, 10).

It should come as no surprise, then, when the devil and his followers attack God's Word. As long as God sends forth His Word, the devil will continue to sow fear and doubt with his **"did God actually say?"** (Genesis 3:1). Sadly, our old ancient foe can keep using this same tactic over and over again because we keep falling for it over and over again!

Every argument we hear in favor of abortion, or sexual immorality (pre-marital sex, same-sex marriage, pornography, etc.), or physician-assisted suicide and euthanasia are really just attacks on God's Word—attacks influenced by the father of lies (John 8:44). The devil, the world, and our own sinful flesh continually try to convince us that God's Word is either wrong or that it doesn't apply to us and our circumstances.

In the face of such attacks, the cross of Jesus Christ, along with His empty tomb, stand as signs of God's unending faithfulness, reminding us that God's Word is both unfailing and unchanging. God's desire for each one of us is so strong that not even the death of His Son would deter Him from keeping His promises to us.

Friends of life, hold fast to the Word that God speaks to us! His Words truly are the **"words of eternal life"** (John 6:68), by which God instructs us about the love He has for each person, strengthens us to withstand the attacks of the evil one, and turns the hearts of our enemies.
